INTRODUCTION

- Technology has supported online examinations successfully for a number of years, and has progressively enhanced the online examination process over the years.
- With the online examination system, the process of conducting examinations and processing results is made ease.
- The system is developed using Hibernate, Spring Boot, Angular.

CASE STUDY

- User Module - Students can register themselves and give exams for various subjects that are available at our portal. The User can give tests on different technical domains as per the requirement.
- Admin will be responsible for adding different questions for the different levels of each subject. Admin can also apply various filters like search student details and view reports.

Searching Module And Show Reports

The screenshot shows a web application interface for searching students. It features four main search buttons at the top: "SEARCH BASED ON CRITERIA", "SEARCH BASED ON CITY AND COUNTRY", "SEARCH BASED ON LEVEL", and "DISPLAY ALL STUDENTS". Below these, there are several input fields and dropdown menus for filtering results. The "SEARCH BASED ON CRITERIA" section includes a "Choose a Technology" dropdown (set to "Java"), a "Choose a State" dropdown (set to "Andhra Pradesh"), a "Choose a City" dropdown (set to "Mumbai"), and a "Choose a Level" dropdown (set to "Level 1"). There is also an "Enter Marks" input field. The "SEARCH BASED ON CITY AND COUNTRY" section includes a "Choose a State" dropdown (set to "Andhra Pradesh") and a "Choose a City" dropdown (set to "Mumbai"). The "SEARCH BASED ON LEVEL" section includes a "Choose a Level" dropdown (set to "Level 1"). A "Search for Students" button is located below the "Choose a City" dropdown. A "Search for Students by levels" button is located below the "Choose a Level" dropdown. A "CLICK TO VIEW ALL STUDENTS" button is located to the right of the "Choose a Level" dropdown. At the bottom, there is a "STUDENT DETAILS:" section with a table showing student information.

Student Id	Student Name	City	State	Phone No	Qualification	Date Of Birth
101	Neha	Kalyan	Maharashtra	1234567890	BE	20-11-1998

The screenshot shows a "Report Details" table with four columns: ID, Exam Level, Marks, and Status. The table contains three rows of data. The background of the screenshot shows a notebook and a pen.

ID	Exam Level	Marks	Status
1	2	20	Pass
2	3	30	Pass
3	2	10	Fail
